

Mauricewood PS Home Learning Grid - *Second Level*

<p style="text-align: center;"><u>Writing</u> <u>Diary Writing</u></p> <p>Our Christmas holidays have not long gone – your task is to write about your Christmas morning in the form of a diary extract. Remember a diary extract starts with Dear Diary, and then you should write your events in chronological order – in the order they happened. Look to write this in as much detail as possible. Remember to include thoughts and feelings. You might want to draw a picture to go with your writing.</p>	<p style="text-align: center;"><u>Literacy</u> <u>Job Application Task</u></p> <p>What is your dream job? Create a CV. Tell us why this is your dream job, why you should get it, list your skills and qualities and why you are suitable for this job. Look to include as many details as you can. In the skills and qualities section think of all the things you are good at and show skill in. This could be hobbies and/or every day tasks and/or subjects at school. It is also about including things that make you, you.</p>	<p style="text-align: center;"><u>Writing</u> <u>Creating a character</u></p> <p>You are going to design a character of your own. Think about whether your character is going to be a person/animal/other and what they will look like. Look to include a lot of detail in what they look like, are wearing etc. Then you are going to think about what your character is like? What kind of personality do they have? What do they like to do? Make a list of these.</p> <p>Extra Challenge!! Put your character into a story! Create a story based around your character. What happens to your character? Where do</p>	<p style="text-align: center;"><u>Literacy</u> <u>Design a Starbucks Smoothie</u></p> <p>Starbucks want you to design a new smoothie for their Winter collection. Write the recipe including –</p> <ul style="list-style-type: none">– Listing the Ingredients– Method – how you could make it step by step– Draw a picture of what the final product would look like.– Extra challenge – ask permission from an adult to help you make your Starbucks creation.

they go? Remember in a story to include a beginning, middle and end – and also a setting, problem and solution.

Numeracy Rounding

<https://corbettmathsprimary.com/2018/07/31/rounding-video/>

Watch some of the videos on the link above about rounding to the nearest 10, 100 and 1000. Ask an adult or create yourself a list of numbers between 0-9000. Now for each

Numeracy Symmetry

Watch this clip to tell yourself/remind yourself about symmetry.

<https://youtu.be/SJlhywRfvh8>

Take some time to draw out some shapes or more challenging pictures to show symmetry. You could create a symmetrical butterfly or use your imagination.

Numeracy Top Marks

Choose a times table you find tricky. Play **Topmarks Bingo-Multiplication & Division** for 20 minutes or until you feel more confident with the answers. Could you challenge a family member to play with you?

<https://www.topmarks.co.uk/>

Numeracy Problem Solving

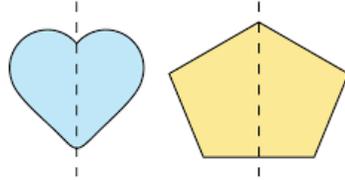

<https://nrich.maths.org/204>

Be a detective and think creatively. Follow the clues and use your reasoning skills to find the mystery number. Click on the link above to access the task.

Extra Challenge!!

Try to create your own clues to find an answer – ask someone in your

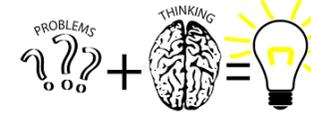

number, round it to the nearest 10, 100 and 1000.

Challenge- choose another multiplication game to play.

house to try and work out your problem.

PE

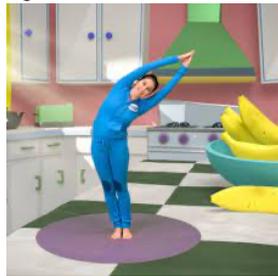

Cosmic Yoga

Take part in some online cosmic yoga. Use this time to relax and stretch and warm up your body!

https://www.youtube.com/results?search_query=cosmic+yoga

Extra challenge!!

Try to make up your own yoga piece to your own choice of song.

PE

Obstacle Course

Try to create your own obstacle course in your house or garden. You have to try and use as many different objects you have BUT the most important thing is to make sure it is safe at all times – you might need an adult to check this with you.

Expressive Arts

Art

Create a 2022 piece of artwork like the ones below. You are looking to make the numbers white and the background is sectioned with as many different patterns as possible. Create this with pencil then use a black pen to create the bold lines.

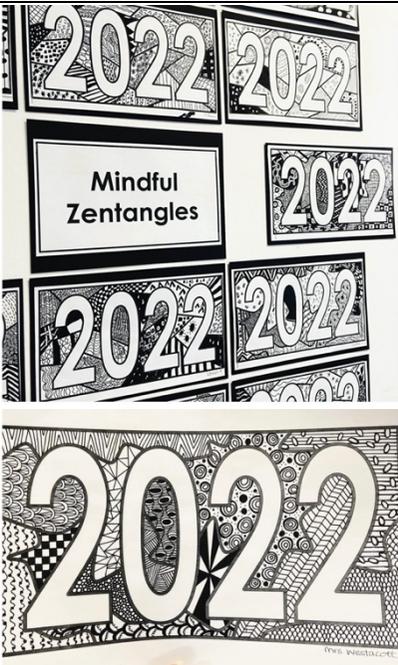

French

French Foods

<https://www.youtube.com/watch?v=lodXbEIPM7A>

Listen to the video sharing some French food vocabulary. Practise saying the names of the foods in French. Once you have learned some of these words (you might want to research more) create a French menu! Include at least one starter, main course and dessert. Design your menu to look like one you would get in a restaurant or café!

			
<p style="text-align: center;"><u>Expressive Arts</u> Art</p> <p>As part of your Literacy you listened to Hamish the Highland Cow. Now we are going to look at Stephen Browns art work of the McCoo and have a go at creating our own using lots of colours.</p> <p>https://www.youtube.com/watch?v=3St2-x9WHzs</p>	<p style="text-align: center;"><u>Health and Wellbeing</u> Family Movie Night-</p> <p>Plan a family movie night. Design a poster to advertise the movie. Add the date, time and location of the movie. Display it somewhere your family will see it, i.e. on the fridge.</p> <p>*Optional- prepare the movie area and some snacks for family members.*</p>	<p style="text-align: center;"><u>Health and Wellbeing</u></p> <p>In school, it is so important to make sure that we are always kind to each other. Make a postcard for one of your friends. Write down the reasons why they are a good friend and why you are friends with them. Think of as many nice things you could write as possible.</p>	<p style="text-align: center;"><u>Science</u></p> <p>https://www.youtube.com/watch?v=WPYj3sFezHw - Welcome to Five Sisters Zoo</p> <p>https://www.youtube.com/watch?v=sDuMiyAfDWc - Habitats and Adaptations Part 1</p> <p>These videos are introducing us to the Five Sisters Zoo in West Lothian. This gives us an insight into a real zoo.</p>

Your task is to look at habitats for animals.

1. Watch the videos above and listen carefully. Discuss with an adult what you have heard and learned about in the Habitats video.
2. Choose a Zoo animal. Think about what their habitat might be like. If you are able to, you could research this animal online. What would they need to survive? Draw and label a habitat for this animal. Write a paragraph sharing what you have included.
